

# SAFAL CHATURVEDI

BTECH STUDENT IN C.S.E. (CYBER SECURITY AND DIGITAL FORENSICS)

## PROFESSIONAL SUMMARY

- Dynamic and results-driven professional with hands-on experience as a Certified Ethical Hacker Intern at Vital Skills.
- Spearheaded a social engineering awareness program, training 50+ employees to identify phishing attempts with 100% accuracy on simulated exercises, drastically reducing the company's vulnerability to cyber threats.
- Adapt at team leadership and project management, committed to driving process improvements and delivering impactful solutions in cybersecurity.
- Versatile professional experienced in overseeing and coordinating organizational operations across multiple departments.
- Well-versed in process optimization, performance management, and team coordination. Adept at developing and implementing strategies to improve efficiency, reduce costs and increase profitability.
- A motivated, collaborative leader with excellent problem-solving, communication and interpersonal skills.

## EXPERIENCE

### Certified Ethical Hacker Intern

July 2024 - August 2024 | Vital Skills

- Company Overview: Organized by Vital Skills in collaboration with Techkriti, IIT Kanpur.
- During this internship, I learned how to think like a hacker to help protect systems.
- Conducted simulated penetration tests on five enterprise networks, pinpointed critical vulnerabilities in network configurations, and proposed remediation strategies, enhancing overall system resilience against potential cyberattacks based on IIT Kanpur training.
- The experience gave me a strong understanding of how to secure systems from potential attacks.
- Organized by Vital Skills in collaboration with Techkriti, IIT Kanpur.
